DECEMBER 2009

ANNUAL GENERAL MEETING

The Annual General Meeting will be held in the main hall at Walthamstow Hall School on 13 January 2010. A complimentary glass of wine will be available at 7.00 pm with the formal proceedings beginning at 7.30 pm. After a short break these will be followed by a talk by Jonathan Fenner entitled "Beasts, Bishops and Bankers: the story of the pleasant town of Sevenoaks". All members of the HRA are very welcome.

EVENTS

Once again, the main social event was the summer tea, and this is likely to be the key event next year. However....if you have any bright ideas for other activities please bring them along to the AGM.

ACHIEVEMENTS

The chairman will summarise the past year at the AGM and from time to time we use the newsletter to update you of what the HRA is for, and what it has been doing. Here is a brief summary: The two main social events, the summer tea and the AGM are always well-supported. The HRA regularly raises concerns in relation to planning, parking, environmental and other issues with the relevant bodies such as Kent County Council and Sevenoaks District Council. It also supports community cultural and social activities. This year, the HRA bought a sturdy park bench for the childrens' play area in the recreation ground, close to the HRA's Millennium Tree (maturing nicely). In recent years it has conducted guided historical and architectural talks around the area, country walks, and open gardens. It supports local charities, and helps publicise events. Find out more by attending the AGM.

YOUR SUPPORT

The HRA can only do these things with your support. The road representatives do a great job, going out in all weather conditions to build-up the membership and hear about your concerns and interests. Please support your association by renewing or taking-out a membership subscription for 2010. It is only £3 per household and your support gives the association real credibility, and provides encouragement that residents in the area really care about their local community.
